A screenshot of a mobile application interface. At the top, there is a red header bar with icons for signal strength, battery level at 100%, and other status indicators. Below the header, the app's logo 'MiClaro' is displayed with a small red arrow icon. The main content area has a light gray background. It contains three input fields: '¿Cómo quieras ingresar?' (How do you want to log in?), 'Número de documento' (Document number), and 'Correo electrónico' (Email address), each with a right-pointing arrow icon to its right. Below these fields is a blue button labeled 'Regístrate' (Register). At the bottom of the screen, there is a dark footer bar with white icons for menu, search, and back functions. The text 'Otros accesos ^' is visible above the footer bar.
