Fecha inicio: 2022-03-08 09:52:47

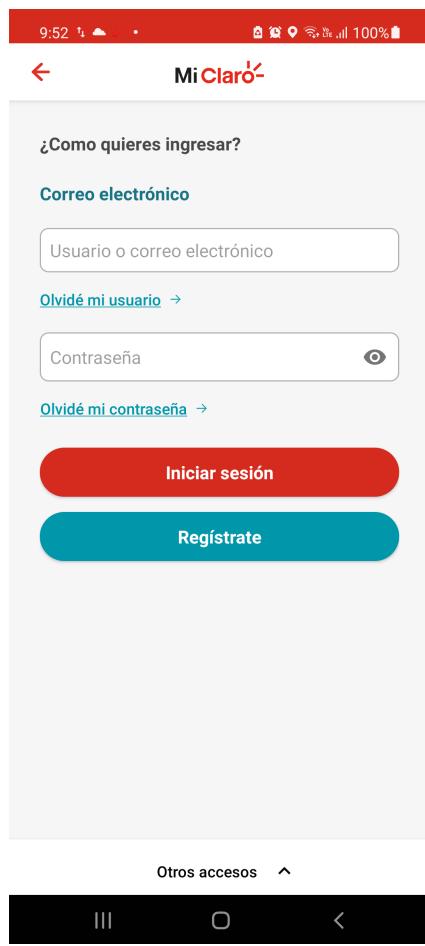

Se realiza accion sobre el elemento: By.xpath: //android.widget.Button[@resource-id='com.clarocolombia.miclaro.debug:id/btnLoginEmail']

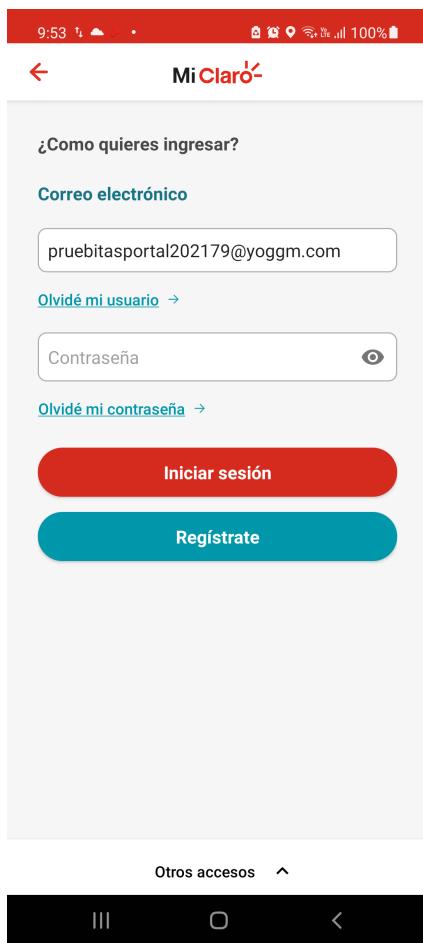

A screenshot of a mobile application interface. At the top, there is a red header bar with icons for battery level, signal strength, and navigation. Below the header, the text "MiClaro" is displayed next to a red arrow icon. The main content area has a white background. It contains three input fields: the first is labeled "¿Cómo quieras ingresar?", the second is "Número de documento" with a right-pointing arrow, and the third is "Correo electrónico" with a right-pointing arrow. Below these fields is a blue button with the text "Regístrate". At the bottom of the screen, there is a black footer bar with three white icons: a menu icon (three horizontal lines), a square icon, and a back arrow icon. The text "Otros accesos" is also visible above the footer bar.

The screenshot shows a mobile application interface for paying a Postpago bill. At the top, there's a red header bar with a back arrow and the text "Volver a Mi Claro". Below it is a white header bar with the title "Paga tu factura Postpago". Underneath are three grey info boxes: "Valor total: \$ 74.694", "Número Factura: 93000000342049", and "Descripción de la compra: Paga tu factura Postpago". A vertical grey line is on the right side. Below this, the text "Medios de pago" is followed by four payment method icons: Oxxo, VISA, mastercard, and AMERICAN EXPRESS. Then comes a sample credit card image with the text "Tarjeta Crédito TU BANCO" and a sample number "1234 5678 9012 3456" with a expiration date "05/25" and name "JUAN CARLOS PEREZ". To the right of the card are fields for "Número de la Tarjeta", "Fecha de vencimiento", and "Nombre". Below these fields is a note: "Ten en cuenta que no aprobamos transacciones con tarjetas internacionales." A large input field for the card number is below the note. Further down are dropdown menus for "MM" (month) and "AAAA" (year). At the bottom is a black navigation bar with three icons: a triangle pointing up, a square, and a triangle pointing left.

Se realiza accion sobre el elemento: By.xpath: //android.widget.Button[@text = 'Continuar']

The screenshot shows a mobile application interface for entering cardholder details. At the top, there is a red header bar with the text "Volver a Mi Claro". Below the header, there are several input fields:

- A large empty rectangular input field.
- A label "Fecha de vencimiento" followed by two dropdown menus: one for "MM" (Month) and one for "AAAA" (Year).
- A label "Código de seguridad" followed by a large empty rectangular input field.
- A label "Número de cuotas" followed by a dropdown menu.
- A label "Nombre y apellido impreso en la tarjeta" followed by a large empty rectangular input field.
- A label "Documento de identificación" followed by a dropdown menu.
- A label "Número de documento" followed by a large empty rectangular input field.
- A label "Número de teléfono" followed by a large empty rectangular input field.

At the bottom of the screen is a black navigation bar containing three icons: a vertical ellipsis (III), a square (□), and a left arrow (<). A small red triangle icon is positioned above the square icon.

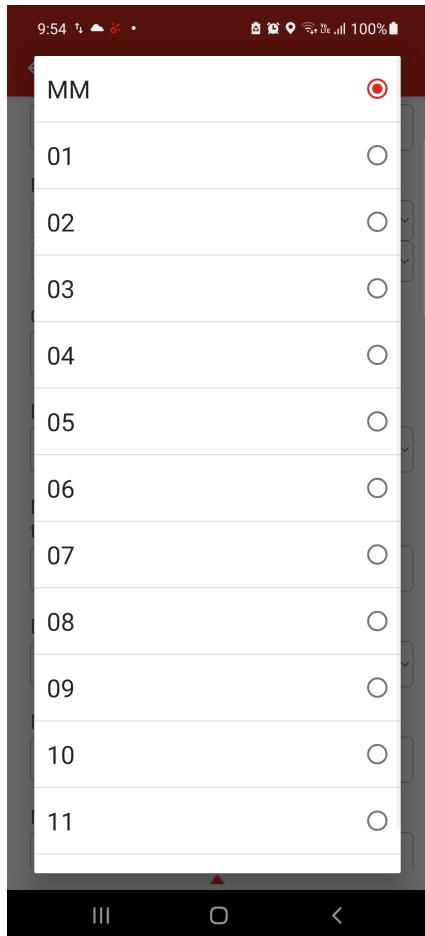

Se realiza accion sobre el elemento: By.xpath: //android.widget.EditText[@resource-id = 'NUMERO_TARJETA']

The screenshot shows a mobile application interface for entering card details. At the top, there is a red header bar with the text "Volver a Mi Claro". Below the header, there are several input fields:

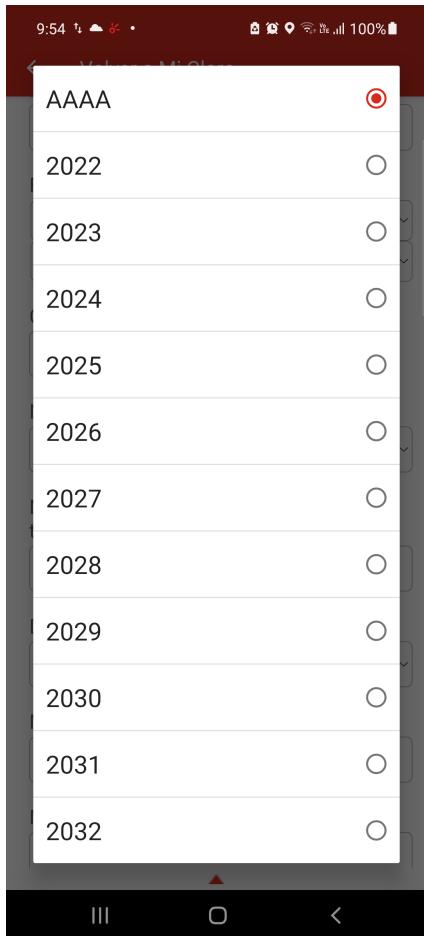

- A text input field containing the number "5449451902936486".
- A dropdown menu labeled "Fecha de vencimiento" with two options: "MM" and "AAAA".
- A text input field labeled "Código de seguridad" which is currently empty.
- A dropdown menu labeled "Número de cuotas" with a single option visible.
- A text input field labeled "Nombre y apellido impreso en la tarjeta" which is currently empty.
- A dropdown menu labeled "Documento de identificación" with a single option visible.
- A text input field labeled "Número de documento" which is currently empty.
- A text input field labeled "Número de teléfono" which is currently empty.

At the bottom of the screen, there is a black navigation bar with three icons: a vertical ellipsis (III), a square (□), and a left arrow (<). There is also a small red triangle icon pointing upwards between the square and the arrow.

The screenshot shows a mobile application interface for entering card details. At the top, there is a red header bar with the text "Volver a Mi Claro". Below the header, there are several input fields:

- A text input field containing the number "5449451902936486".
- A dropdown menu for "Fecha de vencimiento" showing "11" and "2022".
- A text input field for "Código de seguridad" containing "878".
- A dropdown menu for "Número de cuotas" showing "10".
- A text input field for "Nombre y apellido impreso en la tarjeta" containing "PABLO ROJAS".
- A dropdown menu for "Documento de identificación".
- A text input field for "Número de documento".
- A text input field for "Número de teléfono".

At the bottom of the screen is a black navigation bar with three icons: a triangle pointing up, a square, and a triangle pointing down.

Se realiza accion sobre el elemento: By.xpath: //android.view.View[@resource-id = 'TIPO_DOCUMENTO']

Se realiza accion sobre el elemento: By.xpath: //android.widget.EditText[@resource-id = 'NUMERO_DOCUMENTO']

The screenshot shows a mobile application interface for document registration. At the top, there is a red header bar with the text "Volver a Mi Claro". Below the header, there are several input fields:

- A text input field containing the number "5449451902936486".
- A dropdown menu for "Fecha de vencimiento" showing "11" and "2022".
- A text input field for "Código de seguridad" containing "878".
- A dropdown menu for "Número de cuotas" showing "10".
- A text input field for "Nombre y apellido impreso en la tarjeta" containing "PABLO ROJAS".
- A dropdown menu for "Documento de identificación" showing "C.C. (Cédula de Ciudadanía)".
- A text input field for "Número de documento" containing "79789456".
- A text input field for "Número de teléfono" which is currently empty.

At the bottom of the screen, there is a black navigation bar with three icons: a square icon with three vertical lines, a square icon with a circle, and a left-pointing arrow icon.

Se realiza accion sobre el elemento: By.xpath: //android.widget.EditText[@resource-id = 'TELEFONO']

The screenshot shows a mobile application interface with a red header bar. The header contains the time (9:55), signal strength, battery level (100%), and a back arrow labeled "Volver a Mi Claro". Below the header are several input fields:

- A large input field containing the phone number "5449451902936486".
- A dropdown menu for "Fecha de vencimiento" showing "11" and "2022".
- A dropdown menu for "Código de seguridad" showing "878".
- A dropdown menu for "Número de cuotas" showing "10".
- A text input field for "Nombre y apellido impreso en la tarjeta" containing "PABLO ROJAS".
- A dropdown menu for "Documento de identificación" showing "C.C. (Cédula de Ciudadanía)".
- A text input field for "Número de documento" containing "79789456".
- A text input field for "Número de teléfono" containing "6016151377".

At the bottom of the screen is a black navigation bar with three icons: a vertical ellipsis (III), a square (□), and a left arrow (<).

Se realiza accion sobre el elemento: By.xpath: //android.widget.EditText[@resource-id = 'TELEFONO']

The screenshot shows a mobile application interface for saving payment card details. At the top, there is a red header bar with a back arrow and the text "Volver a Mi Claro". Below the header, there are several input fields:

- Número de cuotas: A dropdown menu showing "10".
- Nombre y apellido impreso en la tarjeta: An input field containing "PABLO ROJAS".
- Documento de identificación: A dropdown menu showing "C.C. (Cédula de Ciudadanía)".
- Número de documento: An input field containing "79789456".
- Número de teléfono: An input field containing "6016151377".
- Correo electrónico: An empty input field.

Below the input fields is a toggle switch labeled "¿Guardar esta tarjeta? No" (Save this card? No) with the switch set to "No". To the right of the switch is the text "Si".

At the bottom of the screen, there is a black navigation bar with three icons: a menu icon (three horizontal lines), a square icon, and a left arrow icon.

Registra y guarda los datos de tu tarjeta para que en tu próxima compra no tengas que digitar nuevamente este formulario. Tu información será registrada bajo estrictas medidas de seguridad!

Se realiza accion sobre el elemento: By.xpath: //android.widget.EditText[@resource-id = 'EMAIL']

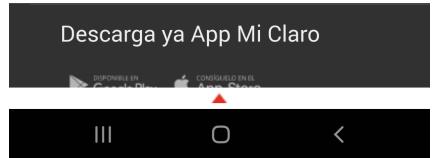

The screenshot shows a mobile application interface for entering payment cardholder details. At the top, there is a red header bar with a back arrow and the text "Volver a Mi Claro". Below the header, the form fields are arranged vertically:

- Número de cuotas: A dropdown menu showing "10".
- Nombre y apellido impreso en la tarjeta: An input field containing "PABLO ROJAS".
- Documento de identificación: A dropdown menu showing "C.C. (Cédula de Ciudadanía)".
- Número de documento: An input field containing "79789456".
- Número de teléfono: An input field containing "6016151377".
- Correo electrónico: An input field containing "pablorojas@cbit-online.com".

Below the form is a toggle switch labeled "¿Guardar esta tarjeta? No" (No) and "Si" (Yes). A note below the switch states: "Registra y guarda los datos de tu tarjeta para que en tu próxima compra no tengas que digitar nuevamente este formulario. Tu información será registrada bajo estrictas medidas de seguridad". At the bottom of the screen are three navigation icons: three horizontal lines, a square, and a left arrow.

Se realiza accion sobre el elemento: By.xpath: //android.widget.EditText[@resource-id = 'EMAIL']

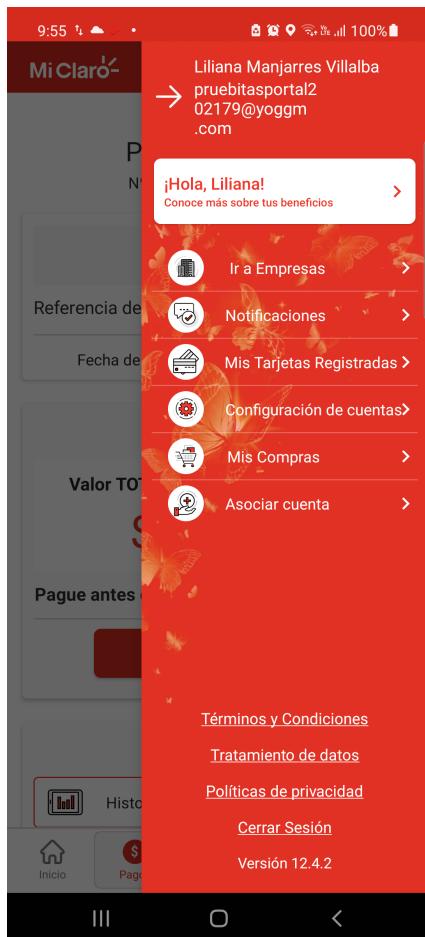

The screenshot shows a mobile application interface for saving card details. At the top, there is a red header bar with the text "Volver a Mi Claro". Below the header, there are three input fields: "Número de documento" containing "79789456", "Número de teléfono" containing "6016151377", and "Correo electrónico" containing "pablorojas@cbit-online.com". Underneath these fields is a toggle switch labeled "¿Guardar esta tarjeta? No" (No) which is currently off. To the right of the switch is the label "Si". A note below the switch reads: "Registra y guarda los datos de tu tarjeta para que en tu próxima compra no tengas que digitar nuevamente este formulario. Tu información será registrada bajo estrictas medidas de seguridad!" At the bottom of the screen are two buttons: a red "Confirmar" button and a grey "Cancelar" button.
